Notes from the Editors

Summer Hours at the Women's Center

The center will not open for walk ins during the summer months, but the good news is through June, July and August we will be open by appointment. We will return to regular hours starting Tuesday September 6 from 11 AM to 3 PM, Tuesdays, Wednesdays and Thursdays. The other good news is that classes, book clubs and game events will continue in the summer as usual. Please check this month's calendar to see class and event availability and the contact for more information.

The 2023 mint issue of American Women Quarters just arrived and are now on display!! This year's quarters feature Bessie Coleman, Jovita Idar, Edith Kanaka'ole and Eleanor Roosevelt. Last year quarters featured Maya Angelou, Sally Ride, Wilma Mankiller and Nino Otero-Warren. Page 5 has details on each woman honored and their accomplishments.

Decorate Saxon the Suffrage Cat is Back!!!

Great news for artists, young and old, near and far away – it's time for the 2023 "Decorate Saxon the Suffrage Cat" Contest!! Prizes will be awarded by age group as well as by theme. Last year, we had group participation - six entries from the budding artists at Mesa Valley Estates Assisted Living Center - it was a community project they set up for their residents.

You can pick up your Saxon cutout and enter by stopping by the Women's Center on Wednesdays between 11 AM and 2 PM. To arrange a different time, please call 702-345-4088. Remember, anyone can enter and no limits on age or where you live. The cutoff to submit decorated Saxons is Friday July 28 and the winners will be announced on August 8, International Cat Day. See Page 6 for more details.

American Women Quarters Program

Each year from 2022 and through 2025, the United States Mint will issue five quarters annually, for a total of twenty quarters, honoring the wide range of accomplishments women have made in fields from suffrage, civil rights, abolition, government, humanities, science, space, and the arts.

These women represent the rich heritage that exists within our ethnically, racially, and geographically diverse society, a heritage that is indelibly etched into the American culture. These women are examples of what can be accomplished with vision, determination and a desire to improve opportunities for all.

2022 Honorees

Maya Angelou—celebrated writer, performer, social activist.

Dr. Sally Ride—physicist, astronaut, educator, and first American woman to soar into space.

Wilma Mankiller—first woman elected principal chief of the Cherokee Nation and an activist for Native American and women’s rights.

Nina Otero-Warren—a leader in New Mexico’s suffrage movement and the first female superintendent of Santa Fe public schools.

Anna May Wong—first Chinese American film star in Hollywood, who left a legacy for women in the film industry.

2023 Honorees

Bessie Coleman – pilot, advocate, and pioneer. First African American and first Native American woman pilot, first African American to earn an international pilot’s license.

Jovita Idar – Mexican American journalist, activist, teacher, and suffragist. Fought to create a better future for Mexican Americans.

Edith Kanaka’ole – indigenous Hawaiian composer, chanter, dancer, teacher, and entertainer. Her stories rescued aspects of Hawaiian history, customs, and traditions that were disappearing due to cultural bigotry of the time.

Eleanor Roosevelt – first lady, author, reformer, and leader. She oversaw the creation of the Universal Declaration of Human Rights, and advocated for the civil liberties and needs of the poor, minorities, and the disadvantaged.

Maria Tallchief – America’s first prima ballerina, and first Native American ballerina.

Saxon the Suffrage Cat History

Saxon the Suffrage Cat was adopted as a kitten by Nell Richardson and Alice Burke. He traveled with them on a 10,000-mile cross-country trip in 1916 to promote the Women's Right to Vote. He became a symbol of the women's suffrage movement. Saxon was named after the Saxon motorcar they drove on this historic trip, which took the ladies over dirt, or at best graded roads paved with gravel, from April 6 to September 30, 1916. Richardson and Burke's unusual journey caught the attention of people across the country who followed Saxon's growth as they traveled from town to town.

Phlebotomy–Fall 2023

Course Information

Phlebotomists usually work under the direction of a lead phlebotomist or medical technologist. The phlebotomist collects blood specimens for analysis, checks the quality of the sample and assumes responsibility for the safety and comfort of patients during the procedure. The phlebotomist must have sufficient venipuncture skills to collect blood from babies, children, adults, and the elderly or "hard to stick" patients. They must also be able to accurately perform skin punctures, blood culture collection and other special laboratory tests.

ATTENTION: Collection of at least 15 live person venipuncture collections performed in a simulated clinical setting must be performed after successful completion of the 12-week phlebotomy lecture and laboratory portion of the class. This course is specific for obtaining the NHA credential.

Students pursuing Medical Lab Technician (MLT) or Medical Lab Scientist (MLS) declared degrees must apply for admission to the Phlebotomy Skills Certificate (MLT/MLS Track) Program which includes CLS 151, 152, and 153 phlebotomy courses.

Class Schedule

CLS 155 (6 credits total)

Lecture	Online Class
Lab	Monday & Wednesday 5:30pm—7:50pm (1st 13 weeks of class)
Clinical	Monday & Wednesday 5:30pm—7:50pm (last 3 weeks of class)

Dear Mesquite Friends & Neighbors:

The Virgin Valley Daughters of the American Revolution are asking for your help to raise funds for the Mesquite Veterans Center. Your donation of \$10, \$25 or \$50 will go directly to the Veterans Center Building Fund for maintenance and repairs of their Center at 840 E. Hafen Lane here in Mesquite.

The greater Mesquite area has about 2,000 retired military veterans that rely on the Mesquite Veterans Center to receive military assistance and counseling for PTSD, along with a place to gather, network and spend time with other Veterans. They are the parent organization for the Vietnam Veterans of America Chapter 993, the VFW Post 7583, the American Legion Post 24, and the Virgin Valley Honor Guard.

Because the Veterans Center is 100% funded through community donations and is staffed by volunteers, your donation will help them to continue the work they do for the Veterans of Mesquite and the Virgin Valley.

To kick off the campaign, a Mesquite donor has offered a fundraising challenge by pledging \$5,000 if two other individual donors or organizations also pledge \$5,000. To answer this challenge and supercharge our fundraising efforts, contact the DAR-Virgin Valley Chapter.

By making a tax-deductible donation at the platinum, gold or silver contribution level below, your name or organization name will be engraved on a Donor Plaque that is displayed in the Veterans Center as recognition for your generous contribution.

Platinum Level \$ 5,000

Gold Level \$ 2,500

Silver Level \$ 1,000

Remember that every donation at any amount gets us one step closer to reaching our campaign goal. We're asking you to contribute by writing a check made payable to DAR-Virgin Valley Chapter and by mailing it to:

DAR-Virgin Valley Chapter PO Box 1016
Mesquite, NV 89024

Donations may also be dropped off at the Mesquite Veterans Center located at 840 E. Hafen Lane, Mesquite NV., 89027. With your help we can reach our goal and ensure a strong future for the Mesquite Veterans Center. Thank you in advance for your contribution.
